2. Introduction

Company History

STS International LLC is the official and exclusive distributor of Chevron Lubricants Corporation in the territory of the Azerbaijan Republic.

We actively develop the direction of lubricants of Chevron Corporation.

With all responsibility and with a pride we approach to our work with such a legendary company, representing its interests and seeking to become a leader in the field of lubricants for industrial enterprises of Azerbaijan.

Chevron Corporation is an American multinational energy corporation headquartered in San Ramon, California, United States. It operates in more than 180 countries. Chevron is engaged in the oil, gas, and geothermal sectors, including exploration and production; refining, marketing and transport; chemicals manufacturing and sales; and power generation. Chevron is one of the world's six "super major" oil companies. For the past five years (through 2012) Chevron has been ranked as America's third largest corporation in the Fortune 500. In 2011 it was named the 16th largest public company in the world by Forbes Global 2000. Chevron is one of the largest corporations in the world by revenue.
